

TOWN COUNCIL BUDGET WORKSHOP

Monday June 23, 2014

5:00 pm

The New Palestine Town Council met on Monday June 23, 2014 at 6:00 p.m. at the New Palestine Town Hall. President Jan Jarson called the meeting to order. Jan Jarson, Clint Bledsoe, Larry Jonas, Dave Book, Becky Hilligoss, and Bob Ehle were in attendance.

The 2015 Budget was worked through line by line. The comprehensive plan for town will be put in the general fund at \$40,000. Marshal Ehle agreed that his budget lines were all good where they were in 2014. LOIT fund will include \$4846.00 for the records and CAD with Hancock County. A truck purchase for the town will be held off until 2016.

General consensus by the Town Council for a 2% pay raise to all Town employees. With a line for a part time police officer at \$15.00 per hour from the LOIT fund. The reduction in tax monies due to the Circuit Breaker cuts being close to the same amount for 2015 as in 2014. We still need to leave enough monies for future problems or needs.

The Budget will be submitted to the DLGF at 2.6% higher total than the 2014 budget unless the DLGF states a higher percentage.

The meeting was then adjourned by the unanimous decision of the Council.
